

Cindy Miles' Plagiocephaly: Assessment and Treatment of Infants and Toddlers

Anjali Gupta, PT, MSPT, CLT

Faculty

Anjali Gupta, PT, MSPT, CLT, has been a pediatric physical therapist for more than 20 years specializing in treatment of children with cerebral palsy, torticollis, and NICU. She currently works at Texas Children's Hospital as the manager of Clinical Education and Research. She provides education programming, mentoring, and develops training programs for therapy staff. She served as the co-chair of programming committee for the APTA Academy of Pediatric Physical Therapy for the national Combined Sections Meeting for several years and is currently the vice – chair of the Neonatology Special Interest Group.

Anjali worked closely with the late [Cindy Miles](#) in APTA's pediatric section and she is thrilled to continue Cindy's teaching of Plagiocephaly and Torticollis for ERI.

Disclosure: Financial: Anjali Gupta receives an honorarium from Education Resources for this course. Non-Financial: She has no non-financial relationships to disclose.

About this Live Webinar

The presentation will provide evidence-based clinical pathways for management of infant head shape. Differential diagnosis that may lead to head shape differences will be explored. Discussion will concentrate on progressive, effective evaluation and treatment schemes for infants with a diagnosis of plagiocephaly, including challenging cases. Current research and recommendations pertaining to the implications of plagiocephaly and increased use of positional devices will be discussed and incorporated. Red flags for related early infancy and preschool consequences will be appraised. Emphasis on home exercise programs, effective strategies, and long term follow-up to team with parents will be explored.

Learning opportunities for therapists and medical professionals involved in pediatrics will transpire through lecture, case reports, group problem solving, video review. The extensive use of pictures and videos throughout the four hours will allow participants to problem solve head shape providing functional ways to evaluate and treat.

Objectives

- Identify three research studies that address the management, prevention and/or treatment of head shape (including helmet criteria) for the diagnosis of plagiocephaly in children.
- Choose a treatment strategy that incorporates current research findings and addresses the child's functional goals.
- Recognize the possibility that plagiocephaly/brachycephaly is preventable or can be less impactful to the child and family with early parent education and early referral.
- Choose two treatments that reduce or prevent plagiocephaly / brachycephaly in children.
- Identify three facilitators and three barriers to helmet treatment.

Schedule Day 1 5:40pm - 10:00pm EST (US)

5:40-6:00	Webinar Registration/Zoom Course Opens
6:00-8:00	Anatomy Craniosynostosis: Differential Diagnosis Cranial Asymmetries Assessment Treatment/Helmet Criteria
8:00-10:00	Potential Long-Term Outcomes Case Reviews Facial Asymmetry Questions/Answers

AUDIENCE

Physical, Occupational, and Speech Therapists; Nurses, including NICU, Nurse Practitioners, Orthotists, Physician Assistants, and Physicians

Online Courses Learn at your convenience

We've infused the excitement and clinical relevance of our live courses into new on demand online series

Learn at your convenience

ERI: Life-changing learning

You love what you do. Our courses remind you why. As a therapist, you change lives every day – and have your life changed in return. ERI is life-changing learning, for therapists by therapists.

The ERI Advantage:

- Techniques you'll use the next day
- Peers who share your passion
- Renowned faculty
- Evidence-based courses that improve outcomes
- 30 years of life-changing learning

Specialty Tracks throughout the lifespan – Neonatal, Pediatric, Adult, Geriatric

Each ERI specialty track is designed to make the most of your continuing education time, budget, and goals. Start your search with us and plan every course you'll take in 2023.

ERI Rewards

Your ERI experience is more rewarding than ever.

- First Course Discount
- Group Discounts
- \$100 off your 4th Multi-day Course
- And more

Subject to availability. Exclusions may apply. Visit our website for details and coupon codes.

Credits

This course meets the criteria for 4 contact hours (.4) CEUs, Intermediate Level.

Education Resources Inc. is an AOTA Approved Provider of professional development. Course approval ID# 02999. This distance learning-interactive course is offered at 4 contact hours 0.4 CEUs. (Intermediate Level, OT Service Delivery). AOTA does not endorse specific course content, products or clinical procedures.
