ICU and Acute Care Update

Chris L. Wells, PhD, PT, CCS, ATC, FCCM

Faculty

Chris Wells is a Cardiovascular and Pulmonary Clinical Specialist in the Department of Rehabilitation Services at the University of Maryland Medical Center. She is a Fellow in the American College of Critical Care Medicine. She delivers patient care in the intensive care setting and assists with program and staff development, clinical competencies, and oversees clinical research opportunities for therapists. Dr. Wells holds a bachelor's degree and advanced master's degree in physical therapy and was awarded a Doctor of Philosophy in Education, Department of Developmental Movement, from the University of Pittsburgh. She holds an appointment as Associate Professor, Adjunct position, at the University of Maryland School of Medicine in the Department of Physical Therapy and Rehabilitation Science where she lectures in the areas of cardiopulmonary dysfunction, and rehabilitation and acute care practice. She is an active member within the Academy of Cardiopulmonary of the American Physical Therapy Association. Dr. Wells' line of funded research is in the rehabilitation and functional outcomes for the older adult suffering critical illness and hospital acquired disability.

Disclosure: Financial: Chris Wells receives a speaking honorarium from Education Resources, Inc.

Non-Financial: Chris has no non-financial relationships to disclose.

About this Webinar

Therapists working with patients in ICU face complex challenges. An important clinical scenario found in patients during an ICU stay is the limitation and deterioration of functional status. For selected patients in ICU, early mobility and physical activity can lead to an increase in functional capacity and improve quality of life. It is also possible to have an associated decreased length of hospital stay and subsequent reduction in hospital costs. The content of this course will guide clinicians through the process of understanding and managing adult ICU patients from patient selection, therapeutic interventions to choice of outcome measures. This course is also designed to inspire clinicians to reflect on and understand the clinical principles which promote best practices and positively influence the recovery of patients in ICU.

Learning Objectives

- Identify relevant medical information and equipment settings in the environ ment of the ICU that influences decision making during the evaluation and treatment of a patient.
- Apply at least two current literature and evidenced-based trends to progress functional recovery for patients that suffer critical illness.
- Apply exercise physiology principles to prescribe an effective exercise program.
- $\bullet \quad \text{Implement an integrative rehabilitation plan to address pulmonary } dysfunction.$
- Analyze the complexity of critical illness via a case scenario to develop an evaluation and intervention approach to provide comprehensive care.

Audience

PTs, OTs and SLPs working in an acute care setting with primarily adults. The focus will be on cardiovascular and pulmonary critical illness. It is recommended that participants have a basic knowledge of lines, tubes and ventilators. If not, it is recommended you review this online course: "Lines, Tubes, Ventilators and Diagnostic Screening for Stability vs Instability: Cardiopulmonary Examination and Monitoring." available on the Education Resources, Inc. website: www.educationresourcesinc.com

Schedule - Day 1

5:40 – 6:00pm Webinar Registration/Zoom Course

Opens

6:00-7:30 pm Research updates: Implications on the clin-

ical decision process

ABCDEF bundle: opportunities for interdis-

ciplinary collaboration

7:30-7:45 BREAK

7:45–8:45 pm Medical review: critically thinking through

a case - yellow/red flags for early mobility

8:45-9:45 pm Advanced interpretation of vital signs

Early mobility and physiological readiness for activity, using subjective scales to aid

decision-making

Schedule - Day 2

5:40 – 6:00pm Webinar Registration/Zoom Course

Opens

6:00 - 7:15 pm Updates in evidence regarding safety and

efficacy in early mobility

Implementing an early mobility program, managing environment and personnel to improve safety Institutional guidelines in

current practice

7:15 – 8:15 pm Applied physiology

Physiological reserve: using exercise principles to get the most out of your patients, how to make recovery a true component of treatment, outcome measures, video case analysis

8:15-9:00 pm Updates regarding dyspnea

Schedule - Day 3

5:40 – 6:00pm Webinar Registration/Zoom Course

Opens

6:00-7:00 pm Case Analysis: clinical integration and

decision-making

7:00-8:30 pm Application of the EKG:

Video case: recognizing critical parts of the EKG to aid in the clinical decision-mak-

ing process, identifying changes and how

to manage patients accordingly

8:30-9:30 pm Using the ventilator to promote functional

progress and establish goals

The importance of professional conversations with data in hand, video case: how to interpret modes during ventilator weaning

and interventions

Schedule - Day 4

5:40 – 6:00pm Webinar Registration/Zoom Course

Opens

6:00-8:00 pm Pulmonary LAB - assessment tools:

Understanding how your patient's impairments could be contributing to slow functional progress, facilitating desired breath-

ing patterns

8:00-8:45 pm Advanced ICU Device Support: VADs and

ECMO including video case analysis

8:45-9:45 pm Case Analysis: Clinical integration and deci-

sion-making including recommendations

for discharge status

ERI: Life-changing learning

You love what you do. Our courses remind you why. As a therapist, you change lives every day – and have your life changed in return. ERI is life-changing learning, for therapists by therapists.

The ERI Advantage

- Techniques you'll use the next day
- · Peers who share your passion
- Renowned faculty
- Evidence-based courses that improve outcomes
- 30 years of life-changing learning

Specialty Tracks

Learn with courses throughout the lifespan – neonatal, pediatric, adult and geriatric. Each ERI specialty track is designed to make the most of your continuing education time, budget, and goals. Start your search with us and plan every course you'll take in 2023.

ERI Rewards*

Your ERI experience is more rewarding than ever:

- First course discount
- Bring a friend savings
- Group discounts
- \$100 off your 4th multi-day course

*Subject to availability. Exclusions may apply. Visit our website for details and coupon codes.

Visit educationresourcesinc.com for all your 2023 course needs.

Credits

This course meets the criteria for 13.5 contact hours (1.35) CEUs, Intermediate Level.

Education Resources Inc. is an AOTA Approved Provider of professional development. Course approval ID# 04290. This Distance Learning-Interactive course is offered at 13.5 contact hours 1.35 CEUs. (Intermediate level, OT Service Delivery & Foundational Knowledge). AOTA does not endorse specific course content, products or clinical procedures.

This course can be used toward your NBCOT renewal requirements for 13.5 units. Approved provider of the **FL** Board of Occupational Therapy-CE Broker – 16 hrs. This course meets the approval of the **TX** Board of OT Examiners.

Education Resources, Inc. Intermediate level 1.35 ASHA CEUs

ASHA CE Provider approval and use of the Brand Block does not imply endorsement of course content, specific products or clinical procedures.

ASHA credits are accepted by the TX Department of License and Renewal.

Approved by the **FL** Physical Therapy Association for 16 continuing education contact hours. Approved by the **MD** Board of Physical Therapy Examiners.

Approved by the **MN** Board of Physical Therapy.

Approved by the **NJ** Board of Physical Therapy Examiners.

Approved sponsor by the State of IL Department of Financial and Professional Regulation for Physical Therapy for 16 contact hours.

Approved provider by the **NY** State Board of Physical Therapy for 16 contact hours (1.6 CEUs). Education Resources, Inc. is an approved provider for Physical Therapy CEUs in the following states: **CA, KY, OK** and **TX**.

The following state boards of physical therapy accept other states' approval: AK, AR, AZ, DC, DE, GA, HI, ID, IN, KS, MA, MI, MO, MS, NC, OR, PA, RI, SC, UT, VA, VT, WI, WY. The following state boards of physical therapy either do not require course pre-approval or do not require CEUs for re-licensure: AL, CO, CT, IA, ME, MT, NE, ND, NH, SD, WA.

12 hours of this course qualify towards the discipline-specific hours for the 20-hour requirement for NDTA re-certification. They do NOT qualify towards the 8-hour NDTA Instructor requirement for re-certification. Please contact us with any special needs requests: info@educa-tionresourcesinc.com Education Resources, Inc. 266 Main St, Medfield, MA 02052 • 800-487-6530.

Webinar Dates and Times

October 16, 18, 23 and 25, 2023

5:40 pm EST • 4:40 pm CST • 3:40 pm MST • 2:40 pm PST (US)

Registration is for all four sessions. Zoom log-in instructions and course materials will be emailed/added to your ERI account 5-7 days prior to the first date of the webinar.

\$369 fee. LIMITED ENROLLMENT Cancellation will be accepted until 14 days prior to the start date of the course, minus a \$75 Administration Fee. There will be NO REFUNDS after this 14 day deadline. Registration will be accepted after deadline on a space available basis. We encourage you to register online!
