

## TESTIMONIALS

"ERI brings together very qualified speakers. They organize a good conference with great facilities to provide a comfortable learning environment. I would not hesitate to attend an ERI course in the future" -Susan McCartney, OT

"This is the third course I have taken with ERI. Once again, it was excellent, well presented and clinically relevant. The content was appropriate for all practice settings. I had many "light bulb" moments and am excited to put what I learned into practice. I will recommend ERI to all my colleagues." -Christina Ross, SLP

"I am continually impressed by the relevance of the courses provided by Education Resources. Truly a great program providing invaluable learning opportunities for therapists in the field" - Jenna Sturgeon, PT, DPT
