

ERI's Mission

Improve patient outcomes through clinically relevant and evidence based continuing education that reminds therapists why they love what they do. We aspire to be therapists go-to source for OT, PT & SLP continuing education through providing high-quality learning experiences for customers, teaching experiences for faculty, partnership experiences for facility partners, and work experiences for staff.

Position Summary

Ambassador: “a person who acts as a representative or promoter of a specified activity”. **ERI's Therapies in the School Outreach Ambassador** role invites clinicians to work collaboratively with ERI to help us conduct personalized outreach to promote the Therapies in the School Conference, with a focus on encouraging district-wide and group registrations.
